

Dear HistoryAtOurHouse clients and students,

This is the schedule of live classes for all levels of HistoryAtOurHouse for the 2009-10 academic year. It is offered for all US Time Zones. If you will be using the live classes, please scroll down to find the page with the timezone in which you live, and print off that page for reference.

Please note: Hawaii and Arizona do not observe *Daily Light Savings Time*, therefore since the other states adjust their clocks back one hour on November 1, 2009, clients in either of these states should be aware that classes will then begin an hour later. Then, March 14, 2010, clocks in the other 48 states will be adjusted forward, returning live classes to the same timing they had at the beginning of the school year. To assist clients in Arizona with this transition, I have included a two-part calendar for that state.

Here's to another great year of live classes!

Sincerely,

A handwritten signature in black ink that reads 'Scott Powell'. The signature is written in a cursive, flowing style.

Mr. Powell
